WELCOME TO CELLAR MAGNIFIQUE

Welcome to Cellar Magnifique. I am honoured that you are considering us to host your special event.

Our passion is creating unforgettable experiences through attentive service, exceptional artisan products, and leading wine and food expertise.

Over the years, we have had the pleasure of hosting a wide range of events—from grand celebrations for political leaders to intimate family gatherings. Whether at our charming caveau in the heart of Woking or at off-site venues, we bring the same dedication to every occasion. Beyond providing exquisite wine and exemplary service, we also offer wine-tasting classes and can arrange live entertainment.

No matter what type of event you envision, it's essential to work with a team you can trust. My team is known for our experience, empathy, and attention to detail.

Warm regards,
Roland

THE FINEST DRINKS

At Cellar Magnifique, our passion for wine is at the heart of everything we do. Our expert team curates a diverse and exciting wine list and is often approached by customers to source other exceptional bottles from renowned vineyards around the world. From approachable selections to rare vintages, we ensure there is something to delight every palate and suit every occasion.

Our mixology programme is built on a commitment to quality. We elevate classic cocktails by using only the finest, freshest ingredients. Whether it's a perfectly balanced Old Fashioned or a non-alcoholic twist on a Mojito, our cocktails are crafted to surprise and delight.

For beer enthusiasts, we are proud to partner with Firebird, a local craft brewery known for its passion and quality. We offer a full range of styles, from a crisp lager to a rich chocolate stout, showcasing the best of local brewing talent.

ARTISAN FOODS

Our renowned sharing platters are a highlight, combining the best of artisan French specialty cheeses, locally sourced charcuterie, and European antipasti. Each platter is a carefully curated experience, perfect for bringing people together over exceptional flavors.

For a touch of elegance, our fine canapés are the ideal choice. Circulating through your event, we offer a selection of exquisite bites, featuring delicacies like caviar and French hand-made macarons. These treats are designed to impress and elevate your occasion.

Beyond our in-house offerings, we proudly partner with top local chefs and restaurants to bring a world of flavors to your event. Whether you're craving the vibrant tastes of Lebanese, Greek, or Italian cuisine, our collaborations ensure that your guests enjoy an unforgettable culinary experience.

RHYTHM AND COLOURS

At Cellar Magnifique, we know that the right music sets the tone for an unforgettable event. With our professional Yamaha PA system and full music licenses, we can create the perfect playlist or accommodate your special requests. For a live music experience, we also host talented acts such as “Bubl  and Bubbles,” “Chanson and Champagne,” and the ever-entertaining “House of Bond” to bring that extra flair to your celebration.

Our space is as versatile as our music offerings. We welcome guests to personalize the bar with their own decorations, creating an atmosphere that reflects your unique style and event theme. From elegant florals to ice sculptures, we’ll help you transform our venue into the perfect setting for your special occasion.

CLASSES AND CURIOSITIES

Looking for a fun night out with friends, a fundraiser, or a unique corporate team-building experience?
At Cellar Magnifique, we offer a range of interactive classes to suit any occasion.

Choose from our formal and informal wine tastings, where guests can explore new flavours and learn from our experts, or shake things up with a cocktail-making class.
